Both Restarts bring you back to the 3 o'clock wall

Restarts are on the 2nd wall after the first 20 counts, you will be on the diagonal and about to shuffle back right, left right. Center up to the wall you just started and touch instead of shuffling back or just hold on the shuffle and make the 1/8 of a turn to start the same wall again. 3 o'clock

The Second Restart will come when you have started on the back wall for the first time, you will do up until counts 52. You will be doing your together together side steps, but instead of stepping to the side you will step forward on your left and restart the dance back on the 3 o'clock wall
